**zimHosts.com Reseller Pricing Guide**

The following is a price guide for our reseller packages. You do not need to pay or subscribe to anything per month in order to qualify. Simply accrue (one by one) the following customer accounts and you automatically become a reseller and enjoy the benefits. You can even make more profit when you set your own higher markup prices. One such reseller has one of his webhosting packages set at USD\$29.99/month making a profit of around 500% per month

Non reseller:	1- 5	accounts:	USD\$10/month	0% profit
Green Reseller:	6- 9	accounts:	USD\$6/month	40% profit
Orange Reseller:	10- 19	accounts:	USD\$5/month	50% profit
Blue Reseller:	20- 49	accounts:	USD\$4.5/month	55% profit
Purple Reseller:	>=50	accounts:	USD\$4/month	60% profit

The following tables below show the RESELLER Packages in detail and their extrapolated profits from 1 to 10 years basing on a USD\$0.00 mark-up price.
